

# Clergy Zoom Meeting Instructions

The meeting will be available at **8 am**. You will not be able to join until that time. **The meeting will start promptly at 8:05 am.**

Users will be muted upon entry. For open dialogue, you may unmute yourself. **Please remember to mute yourself after you are done speaking.**

**The best experience with the Zoom app will be on a Laptop or Tablet.** The Zoom app will download automatically when you start or join your first Zoom meeting, and is also [available for manual download here.](#)

You can also use a smartphone, but it is not recommended.

If using a mobile device such as a tablet or smartphone, you can [download the mobile app here.](#)

If joining via tablet or smartphone, make sure it is on a stable surface - try to limit movement while on the call. If you are on the move, dial in using the instructions on the next bullet point.

**If you wish to dial in only**, follow the prompts on your smartphone upon clicking the Zoom link. Upon clicking, select dial by phone audio.

If joining by video, do so from a location where you have a strong WIFI signal. **Zoom calls use a large bandwidth.**
